

AHOY THAR ME READERS!

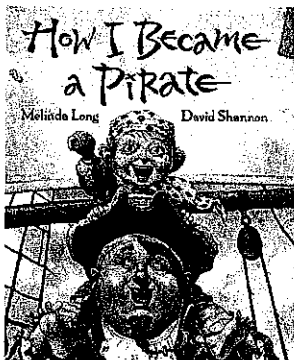

This year we will be kicking off our reading incentive program during the week of February 25th. The children will be introduced to the program during their scheduled library times and may begin adding up their reading minutes thereafter. Students will be adding up their reading minutes (including nightly reading expectations) and returning a reading coupon on *Friday, March 8th* and then again on *Friday, March 15th*. The minutes will be added together to earn "loot" for the classroom treasure chest. The reading incentive program will culminate with a special author visit from **Melinda Long, who wrote How I Became a Pirate and Pirates Don't Change Diapers. The author visit will take place on *Thursday, March 14th*. Please help your swashbuckling readers read, track minutes and most of all enjoy participating in this year's adventure in reading fun!**

Treasure your reading time!

Mrs. St. Germain

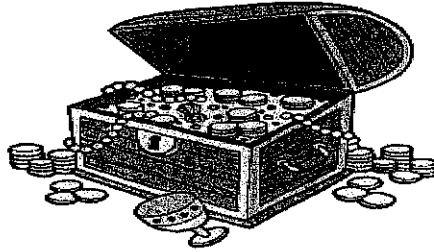

Mrs. Greeley
